104    3.7

**HINTS & TIPPS**

The new Hip Hop requires only less wind speeds to fly and is therefore also appropriate for calm days. Moderate pull and speed make this kite an excellent choice for beginners, but also more experienced flyers will find the Hip Hop capable of the first trick flying manoeuvres. The full carbon fibre frame gives the kite

**SAIL MATERIAL**

nylon

**INCLUDED**

**PRODUCT INTRODUCTION** — **PRODUCT CLEARING**

Februar 2001
