Origami 3D is a real feast for lovers of creative toys and based on the principles of environmental friendliness and ecological thinking. Origami 3D are unique sets that will allow you to create the most beautiful 3D paper sculptures you have ever seen. With patented components and easy-to-understand building instructions, Origami 3D makes it easy for you to create beautiful figurines:

- Patented paper modules
- Detailed instruction book is included with each model
- Step-by-step instructional videos show you how to assemble the selected model
- The set includes ready-made cut shapes, with a clearly marked bend line, even suggesting the direction in which you should bend it
- In three simple movements, you can make a basic module that will be used to create a masterpiece
- All modules are assembled identically and then joined together without any glue to form a sturdy figurine
- Environmentally friendly creative idea - no plastic, no glue
- 15 models in 3 different sizes and levels of difficulty - for relaxation, as a gift or an original decoration
- Made in Europe
- Age: 8+
